

Presentation Disclaimer

This presentation does not constitute an offer, solicitation or invitation from ADDX Pte. Ltd. (the "Company"), its shareholders or its directors, affiliates, managers, officers, employees, advisers or representatives, or any other persons, in respect of any sale or purchase of any capital markets products under the Securities and Futures Act 2001 of Singapore described in this presentation or in any jurisdiction. In addition, this presentation does not represent a term sheet or a commitment by the Company, its shareholders or its directors, affiliates, managers, officers, employees, advisers or representatives, or any other persons, to sell any capital markets products on or off its investment platform. Neither this presentation nor anything contained herein shall form the basis of any contract or commitment whatsoever and should not form the basis of any investment decision and should not be considered as advice or recommendation by the Company, its affiliates, representatives, directors, managers officers, employees, agents, to acquire any capital markets products.

This presentation must not be copied, reproduced, published, distributed or passed (whether in whole or in part) to others. The recipient further agrees that it will, and will ensure where applicable, its affiliates, directors, managers, officers, employees, advisers and representatives keep the information in this presentation confidential. Although the Company may provide additional information concerning the presentation to the recipient, the Company is not obliged to affirm or update the information in the presentation or to correct any inaccuracies that may become apparent or to provide, update or correct any additional information.

The information contained herein are for informational purpose only and has not been independently verified. The presentation does not purport to be comprehensive or contain all the information that a recipient may need or desire. The presentation may from time to time include technical inaccuracies or typographical errors, and changes may be added periodically as may be necessary at our discretion. Neither the Company nor the Company's affiliates (nor any of their respective shareholders, directors, managers, officers, employees, advisers or representatives) accept any responsibility for, nor makes any representation, warranty or undertaking, express or implied, as to the truthfulness, accuracy, completeness, fairness or reasonableness of any information supplied in this presentation, its contents or any written, electronic or oral communication in connection with the presentation. To the extent permitted by law, the Company, its affiliates and their respective shareholders, directors, managers, officers, employees, advisers and representatives exclude any and all liability for loss, claim or damage, cost or expense, including any indirect or consequential damages or lost profits, whether arising in negligence or otherwise, suffered in connection with the access to, participation in, or use of the presentation by the recipient or any other person. In particular, but without limitation, no representation or warranty is given as to the achievement or reasonableness of, and no reliance should be placed on, any projections, targets, estimates or forecasts contained in this presentation or in such other written, electronic or oral information.

Nothing in this presentation is, or should be relied upon as, a representation or warranty as to the future. The recipient of this presentation hereby releases and discharges each of the Company and any of the Company's affiliates (and any of their respective shareholders, directors, managers, officers, employees, advisers or representatives) from all losses, damages, costs and expenses incurred by the recipient or any party as a result of, or arising from, this presentation or the use thereof.

Alternative investments in the private market are speculative and involve a high degree of risk. Investors who cannot afford to lose their entire investment should not invest. Investors are advised to exercise caution, read and understand the contents of this presentation, and obtain all necessary professional advice, before investing.
